

The Department of Transportation is working on a Transit Development Plan (TDP) for its Charm City Circulator bus service and the Harbor Connector ferry shuttle service. The TDP will serve as a strategic guide to address the city's changing transit service needs by prioritizing service improvements and outlining possible service changes over the next 5 years.

As part of the TDP process, the Department of Transportation is soliciting feedback about the Charm City Circulator and Harbor Connectors services with an online community survey. The community survey will be open from November 1 – 30, 2021 and is available at <https://bit.ly/2ZrIH3h> or using the QR code below. The latest TDP project information can be found by visiting www.streetsofbaltimore.com/tdp.

The Department of Transportation encourages everyone to participate in this important community survey will help to shape the future of Charm City Circulator and Harbor Connector service in Baltimore City for the next five years.

In addition to the community survey, the Department of Transportation will be holding its first TDP public meeting on Tuesday, November 16, 2021 at 7pm. This public meeting will be held virtually, and a link to the meeting will be posted at streetsofbaltimore.com. Citizens are encouraged to attend.
